

ICE(I) Collaborates with Thapar Institute of Engineering and Technology, Patiala

An online Seminar on “Sustainable Development in Civil Engineering System – Advances and Challenges” is being organized on 23rd, 26th & 30th January, 2021 by Thapar Institute of Engineering and Technology, Patiala through Zoom Meeting Platform in collaboration with ICE(I). This Webinar aims at providing a platform for learning and sharing the role of sustainable growth and the various challenges and mitigation strategies for sustainable development.

Distinguished faculties and professionals from India and abroad will participate in this Webinar. CECAR 9 which is an International Conference being hosted by ICE(I) in Sept 2022 will also be shared with the participants.
